Education

M.S. in Data Analytics and Visualization [2019 – 2022]

The Pratt Institute

B.A. in Political Science [2009 – 2013]

The University of Alabama at Birmingham

Work Experience

Senior Data Scientist [October 2022 – Present]

St. John's University

- Build predictive models, data visualizations, statistical analyses, and reports that support the mission of the Office of the Provost and student success.
- Present key findings to relevant stakeholders in a clear, concise manner, and explain complex machine learning techniques and tools to non-technical audiences.
- Create SQL views in Snowflake to be used across the institution for various models, dashboards, and reports.
- Build web apps using Flask framework to demonstrate models for proof-of-concept presentations.
- Use data science and visualization tools in Python to produce valuable insights for stakeholders in the Office of the Provost.

Supervisor: Dallas Maddox

Contact: maddoxd@stjohns.edu

Business Analyst – IT [October 2021 – October 2022]

Pace University

- Lead the implementation of Microsoft Dynamics CRM system.
- Develop ETL processes to integrate multiple existing data sources with Microsoft Dynamics CRM.
- Oversee and assist in development of complex SQL queries to be used in ETL processes to ensure data accuracy and system usability.
- Work with University student-facing areas to analyze processes and re-engineer, where necessary, to ensure that they are efficient and student-friendly.
- Serve as a Subject Matter Expert in the use of CRM, Chatbots, Help Desk, and other related tools.
- Provide training and support to users of student success tools.

Supervisor: Donna Scarano

Contact: dscarano@pace.edu
